Praiseland on DCCC website!

Catch Deborah Zhang and associates in *Praiseland* at <https://d-ccc.org/ministries-3/children/>. *Praiseland* is our Sunday School worship time. Join us for songs, fun activities, Bible stories and Questions from Kids. We record the first part of our weekly Sunday School session and will post it on the Children's Ministry page of our church website.

It is a great place to for parents to catch up with what is happening in Sunday School and for the kids to review the week's lesson. We would encourage families to view it together for a fun time.

[We would love to include our kids in the video so that they can see themselves on screen. However, we will need to have the parents' permission to allow their children's images be posted publicly. Please complete the form in the following link to let us know your preference: <https://forms.gle/RSt86mmNQSh4iwKF6>.]

Children's Ministry monthly *Prayer and Share* time on the second Saturday of each month from 10-11 am. Teachers and parents are welcome. Contact Vivian at vivian.leung@d-ccc.org for Zoom link.

Bible Bucks for Jesus!

Store open February 27, 2021 from 1-3 pm

The Bible Bucks program was started to motivate children toward active participation in worship and Sunday school activities. Children are rewarded with Bible Bucks when they participate in specific activities such as participating in worship and Sunday school, memorizing scripture, meaningful journal entries, etc. Children are able to use their Bible Bucks to purchase items in the Bible Buck store which include items like snacks and toys.

With the start of 2021, the Bible Bucks program will include items that children can "purchase" that would be gifts donated to various charities locally and around the world. We hope this opportunity will help our children develop generosity and compassion for those in need. In order for these "purchases" to actually be funded, we are approaching the Deacon board and various fellowship groups in the church to help sponsor these donations.

Projects currently selected include:

Yolo Food Bank

Ending Hunger and Malnutrition in Yolo County

Compassion International

Hygiene Kit

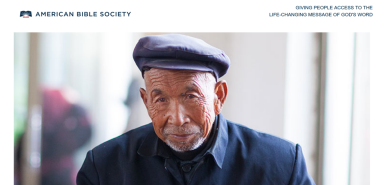

Samaritan's Purse

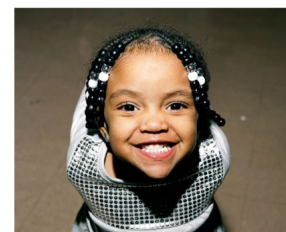

Baby Chicks

American Bible Society

Bibles for China

Prison Fellowship

Angel Tree

He (Jesus) said to them, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these."
