# Children's Ministry 2021

## **Our Vision:**

Transformed families worshipping and glorifying God in their world.

## **Our Mission:**

Partnering with families to bring their children into a transforming life relationship with Jesus Christ and nurturing them into a growing faith that reaches out to our community and the world.

## ***Easter at the Park***

The Children's Sunday School celebrated Easter at the Davis Community Park on Easter morning, April 4<sup>th</sup>. 35 children registered for the event. Just over half were preschoolers who attended with their parents. The remaining 16 children ranged from kindergarten to 6<sup>th</sup> grade. We also had 14 teachers/volunteers involved in the activities.

Highlights included a visit to the tomb, fizzy Easter eggs, an Easter egg hunt, and rolling the stone relays. This was the first in-person event for the Children's Sunday School since the pandemic started. Praise the Lord for a wonderful time celebrating His resurrection. Thank you to all who supported our efforts in prayer.
